

Fundamentals of Insurance Supplemental Study Guide

To help student successfully complete the Fundamentals of Insurance program, IBAM has created a helpful guide to assist in the comprehension of the text as well as to test a student's understanding of the material.

Study aids found in each book include:

- Real-world examples
- Breakdown of the insurance "jargon" in simpler terms
- Quizzes at the end of every chapter to test comprehension
- Answers to the text's end of chapter Self Examination Questions
- 100 question Practice Test to simulate the real exam with a breakdown of how the exam sections are composed.

Complete and submit the form below or contact the IBAM office to receive your copy of the Fundamentals of Insurance Supplemental Guide.
