

Community Involvement

Request for Information on Charitable & Community Involvement

To: Members – Brokerage Principals & Managers
From: IBAM

IBAM has long been proud of the fact that its member brokers have been involved with community and charitable activities. We are aware that untold numbers of people have benefited from the efforts and initiatives of our members in this regard.

IBAM intends to more vigorously track these activities so that these wonderful stories can be told to throughout our industry, to our insurance consumers and certainly to political decision makers through various forms of media.

To this end, we ask that you complete and submit this form each and every time that you and your brokerage are involved in these types of events. Please also send photos of the specific event so we can post them on our website and further distribute them with the printed word.
