

SUN **FORE!** People

The Rainbow Society's 11th Annual Golf Tournament of Dreams, presented by McNaught Pontiac Buick Cadillac GMC, was held on June 16th, 2008 at Niakwa Golf and Country Club.

The weather was fantastic and so was the cause: raising money to make dreams come true for Manitoba children suffering from a life-threatening illness. The tournament has raised over \$200,000 since it started in 1998.

A "DREAM" ROUND!

"The Rainbow Society is so pleased to have a devoted group of sponsors and golfers that participate year after year to help us raise money for the kids. We are extremely thrilled to have raised over \$30,000 from the tournament this year. Thank you to our dedicated golf committee members, event volunteers and prize donors, for without them, the success of this event would not be possible. And a great big thank you to our generous sponsors, there was fun for the golfers out on

the course with great contests and prizes. Everyone had a wonderful time and we will make some very special dreams come true as a result!" Grace Thomson, Executive Director.

The golfers certainly played a "dream" round for The Rainbow Society and the real winners of this tournament are the courageous children whose dreams will come true thanks to the proceeds from this event.

The Rainbow Society
a child... a wish... a dream come true.
