

Important Savings information from Rexall. Save on more than prescriptions.

In addition to reduced dispensing fees, employees have access to Preferred Perks at Rexall, an exclusive savings program integrated with Be Well™. This program enables us to customize value for employees by offering exclusive front store discounts, accelerated Be Well™ points, and targeted offers. It provides streamlined access to their discount of **20%** off Rexall corporate brands every day.

Rexall offers its own line of healthcare, wellness, and sweet & savory products that are more competitively priced than the leading brands.

If you don't already have a Be Well™ account, download the Be Well™ app and create an account at [www.letsbewell.ca/get-the-app](http://www.letsbewell.ca/get-the-app).
