Country Club

A sold-out field of 148 golfers took to the links at the Elmhurst Golf & Country Club on Wednesday, June 23rd for the 17th Annual Red River College Classic.

Organized by Red River College, this year's event raised funds to support the College's series of affordable summer technology camps for children (TEC and GETT Camps).

Golfers started the day with a delicious lunch prepared by RRC's award-winning culinary arts and food services team, featuring smoked salmon, slow roasted BBQ pork, marinated chilled prawns, beef tenderloin sandwiches on garlic toast and a fruit smoothie bar.

Once out on the course, golfers enjoyed beautiful weather and great playing conditions. A team from the Manitoba First Nations Education Resource Centre was the top foursome for the day.

Gifts for every participant were handed out at the closing dinner prepared by the chefs at Elmhurst. Emcee, and RRC Creative Communications' instructor, Steve Vogelsang, kept the evening light and fast-paced.

RRC Interim President, Catherine Rushton, also took the microphone to offer thanks to all the participants, volunteers and event sponsors, highlighting the contributions of title sponsors Powerland Computers and Hewlett-Packard (Canada) Co.
