

Shaving the Cell out of Cancer

Call it a shaving grace

Hair hits the floor to help CancerCare

They showed more skin than a **Hugh Hefner** new year's party!

I'm talking about the "Shaving the Cell Out of Cancer" fundraiser in Selkirk on March 6.

The event: the McMillan Insurance Group head shave, where else but at the head office in Selkirk, held in support of Insurance Brokers Association of Manitoba (IBAM) board of directors member **Dale Rempel**, who is presently battling cancer. The event's proceeds go to CancerCare Manitoba.

Ironically, Dale appears to be one of the few who left the building with hair. Smart man. It's friggin' cold out there!

Twelve brave participants bared it all for the cause: co-owner **Dale McMillan** (pic No. 1), the fearful-looking gent you see here being sheared by his wife **Linda** (also co-owner), who pledged \$150 to be his "stylist"; general manager **Reid Henderson**; Selkirk branch manager **Russell Wasnie**; Stonewall branch manager **Vince Chorney**; Teulon branch manager **Rey Girardin** and employees **Tina Bellerose** — the pretty lady of the long blond locks being lopped here (2), **Linda Henderson**, **Wayne Sonnenberg** and **Steve Witkowski**.

Also clipped were **Douglas Schatz** of Red River Valley Mutual Insurance, as well as **Cole Wasnie** and **Michael Singleton** (**Russell Wasnie's** son and nephew, respectively).

Through pledges collected by the participants and a raffle for a donated antique barber chair used for the shave, more than \$11,000 was raised for the cause.

The participants and supporters post-clip: in the back row, we have **Connie Rapko** (3, from left), **Michael Singleton**, **Heather Pruden**, **Dale McMillan**, **Vince Chorney**, **Steve Witkowski**, **Vanessa Pruden**, **Rey Girardin**, **Reid Henderson**, **Doug Schatz** and **Wayne Sonnenberg**. In the front row are **Russell Wasnie** (from left), **Tina Bellerose**, **Cole Wasnie**, **Dale Rempel** and **Linda Henderson**.

"We would like to extend our sincere thanks to everyone who helped make the shave such a huge success," said **Gail Frederick**, who kindly supplied yours truly the report and the photos.

"And thanks Laurie, for sharing our story."

You're welcome. It's what *Page Six* is all about! Keep the reports, and pics, coming folks.
